

SAVE THE DATE | HYPACK 2025

We are very excited to announce that the **HYPACK 2025 Training Event** will be held on January 6th-9th, 2025 in Montgomery, Texas. The event will be in-person at the Margaritaville Lake Resort, Lake Conroe in Montgomery, TX. Our annual hydrographic and dredging Training Event will be filled with training sessions showing off the newest features in HYPACK® 2025, as well as training for novice and experienced users.

This training is a great opportunity to meet with our team and network with 35 of the industry's leading companies and learn about their products and services! We will also be offering one-on-one sessions for attendees to meet with our HYPACK certified trainers and network with other attendees. The team is very excited for this location on Lake Conroe because it's perfect for LIVE on the water boat demos!

Make sure to save the date and join us at the 32nd annual HYPACK Training Event! Registration will open this summer.

We hope to see you there!
